Opener

Have you ever been left out of a group of some type, and can you share how it made you feel?

Questions

What ran through your mind when you heard that Gen Z is twice as likely to be lonely than Seniors? Why do you think that is?

What is it about community that is so important to our faith? What is it about relationships that are important for us as people?

Besides your immediate family, who is an important relationship in your life and why?

What would you say to someone who says, "I'm a Christian but I don't need church." What would you say to someone to why they should be in a Life Group?

Apply SOAP (Scripture, Observation, Application, Prayer) to:

Acts 2:46-47 (NLT)

They worshiped together at the Temple each day, met in homes for the Lord's Supper, and shared their meals with great joy and generosity—all the while praising God and enjoying the goodwill of all the people. And each day the Lord added to their fellowship those who were being saved.

Read the verses out loud together,

- *Share your observations,*

- *Close in Prayer*
